

EHV Eligibility Guide

Missouri Balance of State CoC

Please reference the following items to ensure that clients being referred to PHA's for the EHV program meet the basic eligibility criteria.

- **Income eligibility will be based off area AMI. If possible, document household income and percentage of AMI.**
- **Head of Household should be a US citizen (or have eligible immigration status)**
 - o **Documentation should include Birth Certificate, Social Security Verification, and state issued ID or other applicable documents.**
 - o **PHA's can allow a delay in documentation, but after the determined period, clients may be removed from the program if documents cannot be produced. Confirm with your PHA contact as possible**
- **All members of household should not have an eviction from a property within the last three years for drug-related criminal activity**
- **All members of household should not have been convicted of producing methamphetamine in any federally assisted housing project.**
- **All members of household should not be a registered sex offender.**
