

MO BoS CoC Regional Structure

Regions of the Missouri Balance of State Continuum of Care

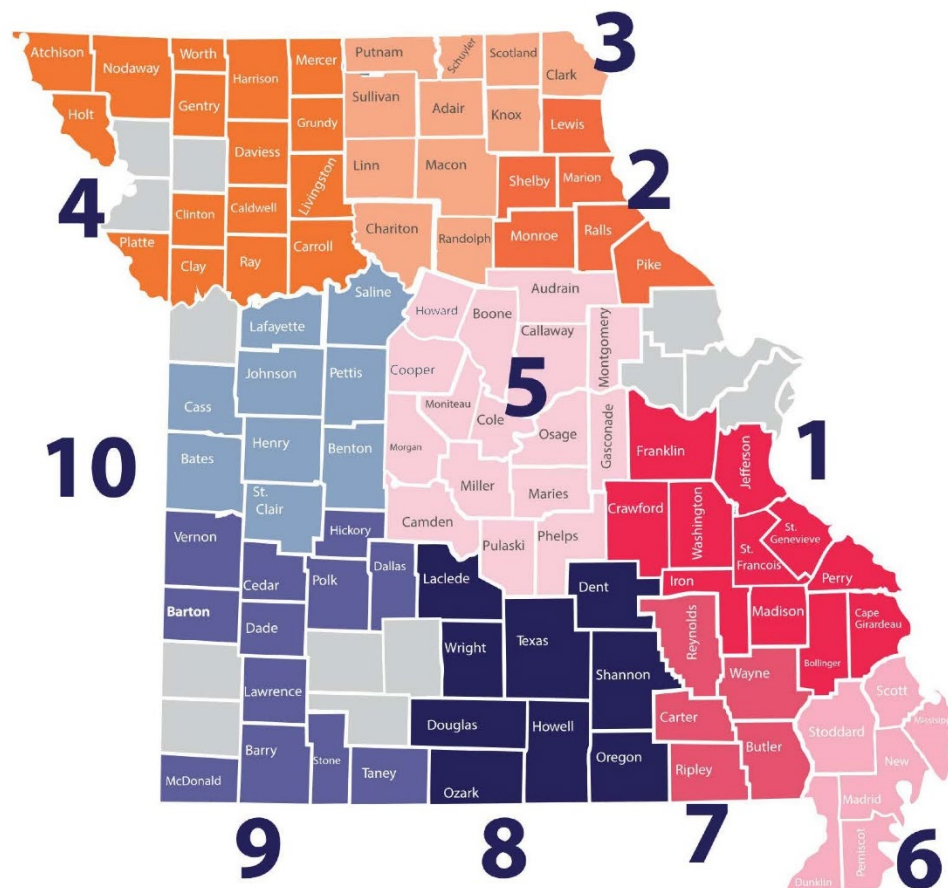

The Mo BoS CoC uses a regional structure to access all 101 counties that make up the Balance of State. There are 10 regions across the rural areas of Missouri. All CoC organizational members are expected to participate in CoC business at a regional level. The monthly regional meeting provides a space for organizations to network in the local community, inform of resources available, discuss regional issues, and more. View regional virtual meeting information here: [Calendar](#). Reach out to the [Lead Agency](#) for more information on specific regions within the CoC.

All CoC Regions:

- [host a monthly regional business meeting](#), where agencies provide updates about the region/ their agency
- host a case conference (monthly) that consists of coordinating clients and resources
- elect regional leadership, including: Regional chair, Vice Chair, Secretary, Board Representative, [Coordinated Entry Lead](#), List Holder, Non-HMIs List Holder, etc. annually.
