## GOOGLE GROUPS:

A way for members to contact whole committees or regions with one email!

See the Google Group addresses here:

[Google Groups of the Missouri Balance of State Continuum of Care](#)

## WHAT TO DO WITH GROUPS:

-Add Google Group emails to your contacts for easy access.

-If someone needs to be added to a committee or region, contact the Lead Agency team to update the group.

-Use as regular email address instead of Contact Lists or finding emails for all needed persons

\*All messages are moderated by Lead Agency team before sent to Group\*
