Good Morning.

The YAB approved the YHDP CE Standards, as attached. It was not a unanimous vote but it passed, 12-6. The 6 voting against the standards wanted to have more communication with the CE Committee about the standards.

There are two paths forward for us, as a Board.

- 1) We need to make the final approval of these standards, which are in place for 90 days.
- 2) The CE Committee and YAB need to meet and discuss the differences and concerns to see if we can all get to common ground before our 90 days have elapsed.

I am including Maggie Thomas, CE Committee Chair, and Lisa Brooks, YHDP HUD TA, in this email feed so they can track the outcome and know what is happening.

I am very excited to see our YHDP Standards in place. This has been a very long road for our CoC to get these passed.

Could someone please make a motion to approve the YHDP CE Standards? After the motion, it will need a second and then vote.

Thank you.
